### APPENDIX A

**Full Sequence alignment of pCMV4-Flag-G3BP1 S149E**

The construct pCMV4-Flag-G3BP1 S149E was subjected to sequence analysis across the entire coding region. Each segment of sequence (ISE_F, 2_0402, T_2102, ISE_int, G1SE_R) was aligned to the full-length G3BP1 coding sequence (G3BP1 CDS).
